

AURAMAX FZC

TRANSFORMING COMFORT AND POWER WITH OUR INNOVATIVE
RANGE OF AGM BATTERIES AND AIR COOLERS.

ABOUT US

At AURAMAX FZC, we are dedicated to being a trusted provider of premium air coolers and AGM batteries, serving customers both locally and internationally. With a firm commitment to excellence, we endeavor to meet the diverse needs of our global clientele. Our extensive range of high-quality products are perfectly designed to ensure optimal performance and reliability. Backed by years of industry experience, we stand as a symbol of innovation and efficiency in the market. Our dedicated team is driven by a passion for delivering unparalleled value, making us the preferred choice for customers seeking dependable solutions. At AURAMAX FZC, we embody integrity, professionalism, and a relentless pursuit of customer satisfaction, establishing us as a leader in the industry.

OUR VISION

AURAMAX FZC envisions a transformative future from being a trader to a manufacturer of premium air coolers and batteries within the UAE. Our goal is to ascend to the pinnacle of the industry, becoming the number one supplier not only within the UAE and MENA region but also globally. With a focus on sustainable growth, we aim to steadily expand our customer base, propelling our business to unprecedented heights. By leveraging innovation, quality, and customer-centricity, we are committed to elevating our operations to a new level, reshaping the landscape of our industry, and enriching the lives of people worldwide.

OUR MISSION

Our mission is to deliver unparalleled value by offering premium air coolers and AGM batteries at competitive prices. Through a dedication to innovation and efficiency, we ensure that our products maintain the highest standards of quality while remaining accessible to all. We strive to empower our customers with reliable solutions that exceed expectations, fostering trust and satisfaction in every interaction. At AURAMAX FZC, professionalism drives our commitment to excellence, as we continuously endeavor to elevate the industry standard and enrich the lives of our valued clients.

OUR PRODUCTS

AGM Batteries

AURAMAX FZC offers a range of high-performance AGM (Absorbent Glass Mat) batteries suitable for diverse applications. Our AGM batteries feature a spill-proof design and maintenance-free operation, making them ideal for Electric Vehicles, Golf Carts, Cleaning Equipment, Aerial Work Platforms (AWP), and Mobility Devices. With reliable performance and long-lasting durability, our AGM batteries ensure efficient power supply for various industrial and personal applications. Trust AURAMAX FZC for premium AGM batteries that exceed expectations.

Air Coolers

Experience superior cooling comfort with AURAMAX FZC's Evaporative Air Coolers, designed to offer efficient and eco-friendly cooling solutions for diverse settings. Evaporative coolers harness the natural process of water evaporation to produce a stream of cool air, making them ideal for both indoor and outdoor spaces. AURAMAX FZC's evaporative air coolers are characterized by their energy-efficient operation, low environmental impact, and user-friendly design. Whether for residential, commercial, or industrial use, our evaporative air coolers ensure optimal cooling performance, providing relief from heat while minimizing energy consumption.

AMX6-245

CHARACTERISTICS

- Voltage: 6 Volts
- Capacity: 245 Ah – 20 Hrs.
- Dimension : 243X187.5X275 mm
- Approx. Weight: 32.4 Kgs
- Alternate Model No.: **LDC6-245**

APPLICATIONS

- Electric Vehicles
- Golf Cart
- Cleaning Equipment
- AWP
- Mobility

AMX6-350

CHARACTERISTICS

- Voltage: 6 Volts
- Capacity: 350 Ah – 20 Hrs.
- Dimension : 295X180X368 mm
- Approx. Weight: 48.2 Kgs
- Alternate Model No.: **LDC6-350**

APPLICATIONS

- Electric Vehicles
- Golf Cart
- Cleaning Equipment
- AWP
- Mobility

AMX6-224

CHARACTERISTICS

- Voltage: 6 Volts
- Capacity: 224 Ah – 20 Hrs.
- Dimension : 260X180X253 mm
- Approx. Weight: 30.5 Kgs
- Alternate Model No.: **LDC6-224-GC2**

APPLICATIONS

- Electric Vehicles
- Golf Cart
- Cleaning Equipment
- AWP
- Mobility

AMX12-120

CHARACTERISTICS

- Voltage: 12 Volts
- Capacity: 120 Ah – 20 Hrs.
- Dimension : 330X173X220 mm
- Approx. Weight: 32.8 Kgs
- Alternate Model No.: **LDC12120**

APPLICATIONS

- Electric Vehicles
- Golf Cart
- Cleaning Equipment
- AWP
- Mobility

AMX12-145

CHARACTERISTICS

- Voltage: 12 Volts
- Capacity: 148 Ah – 20 Hrs.
- Dimension : 340X172X286 mm
- Approx. Weight: 42.47 Kgs
- Alternate Model No.: **LDC12-145**

APPLICATIONS

- Electric Vehicles
- Golf Cart
- Cleaning Equipment
- AWP
- Mobility

AURA-12KWI

CHARACTERISTICS

- Air Flow: 12000 CMH
- Tank Capacity: 60 L
- Water Consumption: 8-10 L/h
- Input Power : 450 W
- Voltage : 100-127/220-240 V
- Frequency : 50 Hz/60 Hz
- Dimension : 900X600X1430 mm
- Approx. Weight: 46.3 Kgs
- Blower Type: Axial Flow Type
- Noise: <60 dB
- Application Area: 60-80 m²
- **100% Copper Winding**

AURA-18KWI

CHARACTERISTICS

- Air Flow: 18000 CMH
- Tank Capacity: 60 L
- Water Consumption: 10-15 L/h
- Input Power : 750 W
- Voltage : 100-127/220-240 V
- Frequency : 50 Hz/60 Hz
- Dimension : 1120X720X1500 mm
- Approx. Weight: 58 Kgs
- Blower Type: Axial Flow Type
- Noise: <68 dB
- Application Area: 100-150 m²
- **100% Copper Winding**

AURA-22KWI

CHARACTERISTICS

- Air Flow: 22000 CMH
- Tank Capacity: 126 L
- Water Consumption: 15-20 L/h
- Input Power : 1100 W
- Voltage : 100-127/220-240 V
- Frequency : 50 Hz/60 Hz
- Dimension : 1120X720X1750 mm
- Approx. Weight: 69 Kgs
- Blower Type: Axial Flow Type
- Noise: <68 dB
- Application Area: 120-180 m²
- **100% Copper Winding**

AURA-26KBI

CHARACTERISTICS

- Air Flow: 26000 CMH
- Tank Capacity: 126 L
- Water Consumption: 18-20 L/h
- Input Power : 1500 W
- Voltage : 100-127/220-240 V
- Frequency : 50 Hz/60 Hz
- Dimension : 1120X720X1750 mm
- Approx. Weight: 78 Kgs
- Blower Type: Axial Flow Type
- Noise: <68 dB
- Application Area: 180-250 m²
- **100% Copper Winding**

AURA-26KWI
